Gloria D. Smith

Managing Attorney

EDUCATION

Northwestern School of Law of Lewis and Clark College
University of California at Santa Barbara

EXPERIENCE

Sierra Club, Managing Attorney **March 2009—Present**
San Francisco, CA

- Manage a staff of attorneys, paralegals, and legal assistants.
- Responsible for managing a sizable annual budget.
- Practice all aspects of administrative and judicial litigation before state and federal courts, and utility commissions nationwide.
- Represent Sierra Club in settlement negotiations and multi-party stakeholder groups.
- Work with executive team and senior campaign representatives on strategic planning.
- Meet regularly with funders on Sierra Club programs.

Adams Broadwell Joseph & Cardozo **June 2005—March 2009**
South San Francisco, CA

- Practiced all aspects of administrative and judicial litigation under the Clean Air Act, CEQA, NEPA, California Public Records Act, FOIA, Public Utilities Code, ESA, and Warren-Alquist Act.
- Built working coalitions of labor unions, environmental and community groups to fight poor land use planning, ill-sited power plants, polluting refineries and other agency blunders throughout California.

Cotchett, Pitre, & McCarthy **June 2003—June 2005**
Burlingame, CA

- Litigated all aspects of complex class action cases on behalf of consumers.
- Extensive law and motion practice and trial preparation.
- Represented clients in complex class action settlement negotiations.

Solicitor's Office, Department of the Interior **July 1999—June 2003**
Washington, DC

- Practiced administrative litigation before the Federal Energy Regulatory Commission.
- Developed litigation strategies with the Department of Justice concerning matters of the National Park Service Organic Act, NEPA, ESA, and California energy and water law.
- Represented Interior in negotiations to settle judicial and administrative litigation under the Federal Power Act among industry, federal and state agencies, FERC, Tribes, and NGOs.
- Drafted legislation, regulations, agency guidance, and congressional testimony on energy and water law.
- Represented Interior on matters with both Senate and House committees and staff for individual congressional members on energy issues.

National Heritage Institute **November 1997—July 1999**
San Francisco, CA

- Represented conservation organizations in administrative litigation before FERC.
- Drafted legal briefs and appeared before the State Water Resources Control Board.
- Drafted an amicus brief in U.S. Court of Claims regarding 5th Amendment takings litigation and the ESA's regulatory authority to protect listed fish in California.
