**Re: UT-090842 – Amended Petition of Frontier Communications Northwest Inc. For
Approval of Release of Funds From Broadband Escrow Account Through March 31, 2012**

Dear Mr. Danner:

Enclosed are one (1) original, seven (7) copies and one (1) redacted version of Frontier's Amended Fifth Petition For Approval of Release of Funds From Broadband Escrow.

Frontier Communications Northwest Inc. has received from escrow approximately \$14.5 million and requests \$25,620,944, which would leave a zero balance in the escrow account. This Petition was amended after discussions with Staff.

As of the date of this filing, Frontier has met or exceeded a number of its broadband deployment commitments – serving both previously unserved and underserved wire centers while investing heavily in its backbone infrastructure to alleviate internet traffic congestion.

If there are questions regarding this filing, please contact me at the number below.

Sincerely,
