**NOTICE SUSPENDING REMAINING PROCEDURAL SCHEDULE
PENDING ISSUANCE OF ORDER 08**

RE: *In the Matter of Determining the Proper Carrier Classification of Glacier Recycle, LLC; Hungry Buzzard Recovery, LLC; and T&T Recovery, Inc., Docket TG-072226*

TO ALL PARTIES:

On April 14, 2010, the Washington Utilities and Transportation Commission (Commission) conducted an evidentiary hearing on a proposed multiparty settlement in this docket. The Commission has nearly completed its review of the Settlement Agreement and will shortly issue an order accepting or rejecting the proposal supported by Commission Staff and the Respondent Companies. Nevertheless, as other dates on the procedural schedule are quickly approaching, the Commission wishes to communicate to the parties that no additional resources should be expended on this matter until further notice.

THE COMMISSION GIVES NOTICE THAT the remaining dates on the procedural schedule in this matter are suspended. The parties need not dedicate resources to preparing written testimony at this time. The hearing scheduled for June 21-23, 2010, is cancelled. All dates are potentially subject to rescheduling following issuance of Order 08.

Thank you for your ongoing attention to this important matter,

Sincerely,

ADAM E. TOREM
Administrative Law Judge
