1 Pursuant to WAC § 480-07-375, the Walla Walla Country Club (“WWCC”) respectfully moves for admission into the record of the WWCC’s Response to Bench Request No. 2 (the “Response”), including the attached Response of Pacific Power & Light Company to WWCC Data Request 74, filed contemporaneously with this motion.

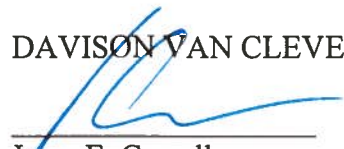

2 According to WAC § 480-07-405(9): “The commission will not consider ... any response to a ... bench request unless and until it is entered into the record.” Good cause exists to enter the Response into the record, to ensure that the Commission has and is lawfully able to consider a full record with the best available evidence upon which to base its decisions.^{1/}
