**RE: Docket No. UE-001734—Report on Costs Associated with Permanent Disconnection and Removal of Facilities**

Pacific Power & Light Company (Pacific Power or Company), a division of PacifiCorp, encloses for filing its Report on Costs Associated with Permanent Disconnection and Removal of Facilities for the period of January 1, 2015, through December 31, 2015. The enclosed report has been filed annually since the conclusion of Docket UE-001734.

The enclosed report details the cost of removing facilities when a customer requests permanent disconnection of service and the Company's service facilities are not likely to be re-used at that location and require removal for safety or operational reasons.

If you have any questions or require further information, please contact Jennifer Angell, Customer Advocacy and Tariff Policy, at (503) 331-4414.

Sincerely,

R. Bryce Dalley  
Vice President, Regulation

Enclosure

Permanent Disconnection and Removal of Facilities Report
