

To whom it may concern,

My name is Martin Graves and I live on Orcas Island in the San Juans. I am writing a letter in support of The Gateway Hotel being allowed to transport their guests directly to the hotel without diverting to Seatac Airport. Being a frequent patron of the airport and hopefully the Gateway Hotel in the future, it would be a great convenience to myself and many others if guests could be dropped off directly to the Gateway.

Sincerely,

Martin c. Graves
