Dear Paul,

I'm writing to advise you that at the May 14<sup>th</sup> regular City Council meeting the Council voted to turn back the \$20,000 Grade Crossing grant to the Utilities and Transportation Commission. This was a difficult decision, but without the participation of the private partner the City could not pay the additional \$17,000 above the grant amount to complete the project.

Thank you for all of your support and I'm sorry this project didn't work out. I look forward to seeing you later this summer to discuss the approaches.

Sincerely,  
Donna Murphy
