Re: US Ecology Washington, Inc. - Petition for Extension of Settlement  
Agreement

Dear Mr. King:

Attached you will find the original and one copy of the Petition for Extension of Settlement Agreement.

The purpose of this filing is to extend the current six year plan that was part of the settlement agreement in the above-referenced docket. The current plan expires on December 31, 2013. This Petition for Extension of Settlement Agreement would extend that Agreement to December 31, 2019.

US Ecology has received strong support for the extension of the Settlement Agreement from the generators that are affected by the Settlement Agreement. In addition, no generator indicated that it opposed the extension of the Settlement Agreement.
