Subject: Olympic Water and Sewer Inc. (OWSI) Docket No. UW-080312

Dear Commissioners:

You are in receipt of a letter from the Port Ludlow Village Council (PLVC) dated May 12, 2008 giving their views on the action that the Commission took at the April 10, 2008 WUTC open meeting.

We want to inform you that Item 3. in their letter is either an error or a misunderstanding. Olympic Water and Sewer **does not agree** with PLVC that the Commission should delay a final decision on this rate filing.

We feel that OWSI has worked with the Commission staff in good faith, and to the best of our knowledge have followed all of the rules and protocol related to this filing. It has been ninety days since we sent the initial Customer Notice. We see no reason for further delay.

Respectfully,
