**Re: Dockets TG-080913
TG-080914**

Dear Mr. Danner:

After discussion with Jon Thompson, Chief Judge Rendahl and the other parties in this action, all parties, particularly Whatcom County and Mr. Wilkowski, are in agreement that the Prehearing Conference set for August 18, 2008 should be continued for three months to a date certain. The reason is that it appears the parties have reached at least a tentative agreement, which must be confirmed by county legislation.

Accordingly, the parties request the Prehearing Conference set for August 18, 2008 be continued for three months.

Very truly yours,

RYAN SELLS UPTEGRAFT, INC. P.S.
