Subject: General Rate Filing UW-081226, Substitute Tariff Sheet 15

Dear Mr. Danner,

Attached to this letter is a substitute tariff sheet 15 for the General Rate Filing UW-081226, for Suncadia Water Company LLC. It corrects a minor error in the description of the non-potable irrigation accounts. The rates are still the same.

We would appreciate it if this corrected sheet could substitute for the Sheet 15 in the previously filed tariff.

Thank you for your attention to this. Feel free to call me at 509-649-6352 if you have questions.

Sincerely,

Gary Kittleson
 Vice President, Director of Construction and Real Estate Finance
