Thank you. I have an appointment tomorrow at 11am, and I'm not sure how long it will last. However, since my question for Mr. Finnigan is a clarification question regarding procedure, I don't see why I can't ask it in this e-mail.

Mr. Finnigan, pursuant to WAC 480-07-380(3), a party must seek permission from the Commission to withdraw when the Commission has issued a hearing notice or begun an adjudication, as in this case. Are you requesting that the Commission treat your letters as motions to withdraw and thereafter dismiss the tariff revision filings?

Good morning,

Having received the letters withdrawing the various tariff filings, filed on April 1, 2010, I would like to have a telephonic conference today to ask the parties some questions. When would you both be available? I'm thinking around 2PM. Will that work?
