RE: *WUTC v. Trashbusters of Washington State, LLC*, Docket TG-101639

TO ALL PARTIES:

On February 8, 2011, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Status Conference in this matter. The Notice set out a series of deadlines for Trashbusters of Washington State, LLC (Trashbusters) to make various filings and payments in order to bring its business into full compliance with all laws and Commission regulations applicable to annual reports and regulatory fees.

On February 10, 2011, Trashbusters requested additional time to file its Annual Report for 2009 while it works with Commission Staff to determine which of its services are subject to regulation. Trashbusters' request is reasonable.

**THE COMMISSION GIVES NOTICE THAT the deadline for Trashbusters to file its Annual Report for 2009 is now extended to Monday, February 28, 2011.** All other deadlines contained in the Notice dated February 8, 2011, remain in effect.
