Docket TC-101813*

TO ALL PARTIES:

On December 21, 2010, the Washington Utilities and Transportation Commission entered Order 01, Order Granting Application and Amending Certificate C-819 and Amending Certificate C-975., in the above matter. This erratum notes and corrects the following error:

Appendix B, Page 2 – Passenger Service – Between Seattle and the Seattle-Tacoma Airport.

Limitations:

Service hereunder is expressly limited to the transportation of airline passengers and flight crews between Seattle-Tacoma Airport on the one hand, and water in Seattle on the other hand, at rates substantially higher than the fares of regular common carriers.

Appendix B, Page 2 should read:

Limitations:

Service hereunder is expressly limited to the transportation of airline passengers and flight crews between Seattle-Tacoma Airport on the one hand, and water **transportation offices and facilities** in Seattle on the other hand, at rates substantially higher than the fares of regular common carriers.

The Commission approves this revision and updates certificate C-819 to reflect the correct language.

Sincerely,

David W. Danner
Executive Director and Secretary
