Hi Jeffrey,

Our legal department has reviewed the situation, and I have been given approval to take the name with LLC twice. So, now it looks like I will need to get new insurance in the new name.

Your insurance must read: ASM, LLC DBA All Service Moving, LLC.

There may also be a problem with your USDOT & MC numbers since the names won't match but I will issue your provisional authority once I receive the insurance in the correct name. I will need both liability and cargo.

Sincerely,

Tina Leipski

Hi Tina,

Since you use email; I've attached copies of the documents you requested. The attorney general still will not change my business name.

Thank You

Jeff,

Please answer the following questions:

1. Have you hired any employees for ASM LLC, dba All Service Moving LLC(UBI 603 093 984) that will only be working in Washington state?
2. Do you bring your employees in from Oregon and is the majority of the work the employees do in Oregon?
3. Is there any base of operation in Washington state?
4. Does direction and control come from any state other than Oregon?

Thank you,

Susan Caughie, Tax Specialist

Hello,

UBI 603093984

The Washington Utilities and Transportation Commission refuses to grant our authority because your agency will not register us. Your agency will not register us based on Law RCW50.04.110. Curt was the person who looked at our application, but I've been speaking to Susanne. They said if you give me an explanation in writing; they will grant us authority. Please send me something asap.

Thank You
