Re: In the Matter of the Application of Puget Sound Energy, Inc. For an Order
Authorizing the Sale of the Water Rights and Associated Assets of the Electron
Hydroelectric Project in Accordance with WAC 480-143 and RCW 80.12

Dear Mr. King:

Enclosed for filing is an original and twelve (12) copies of the Application of Puget Sound Energy, Inc. For an Order Authorizing the Sale of the Water Rights and Associated Assets of the Electron Hydroelectric Project in Accordance with WAC 480-143 and RCW 80.12. Also enclosed please find CD-ROMs containing electronic copies of the same.

Puget Sound Energy, Inc. ("PSE") has submitted four pages of Exhibit C to the Application as confidential pursuant to WAC 480-07-160. These four pages include financial, commercial, and proprietary information regarding the development of the sales price of the Electron Project, the development of the price for the output of the Electron Project, and proposed changes in operations at the Electron Project after transfer. Disclosure of such information would directly affect PSE and Electron Hydro, LLC, the proposed purchaser of the Electron Project. PSE has carefully identified only those portions of the document that contain financial, commercial, and proprietary information in the confidential versions submitted to the Commission. Similarly, PSE has redacted only those portions of the document that contain financial, commercial, and proprietary information from the public versions submitted to the Commission.
