

NW Natural's 2014 IRP

**Washington Utilities and
Transportation Commission
December 11th, 2014**

Handouts

The background of the slide is a close-up, top-down view of a gas burner. The burner is circular and features a ring of small, glowing blue flames around its perimeter. The center of the burner is dark, and the overall image has a strong blue color cast.

Potential and Plausible Interstate Supply-side Resources

NWGA 2014 Gas Outlook – Infrastructure Map

FIGURE C1. Pacific Northwest Infrastructure and Capacities

Pipelines		Storage Facilities		LNG Storage Facilities	
	Spectra BC Pipeline		Jackson Prairie		Nampa
	Williams NWP		Mist		Newport
	TransCanada GTN		Clay Basin		Portland
	FortisBC Stlm Crossing Ruby		Tilbury		Plymouth
