

WASHINGTON
UTC
UTILITIES AND TRANSPORTATION
COMMISSION

TO: Suzanne Stillwell, Licensing Manager
FROM:  Julia Leipski, Transportation Specialist 3
DATE: February 3, 2016
SUBJECT: Docket TV-140365, Application for Permanent Authority

On February 28, 2014, Jette Moving LLC, d/b/a Two Men & A Truck, filed Docket TV-140365 requesting permanent household goods authority.

The Commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-65316, since March 12, 2014.

Under WAC 480-15-305, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigators W. Gilbert and M. Perkinson completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigators Gilbert and Perkinson found the company in general compliance and on January 27, 2016, they recommended the applicant be considered for permanent authority.

The current provisional permit THG-65316 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-65316.
- Compliance Investigations does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company attended mandatory HHG new entrant training on July 16, 2014.

I recommend the Commission grant TV-140365 without hearing and reissue permit THG-65316 to HG-65316 to Jette Moving LLC, d/b/a Two Men & A Truck, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
