Violation: Digging without locates; RCW 19.122.30 (1), (2) and (5)

Summary:

On November 11th our Damage Prevention Field Representative, Roger Arrington, observed excavation taking place at 13408 NE 129th Place, lot #30, in Kirkland WA. TT & E LLC was conducting digging to lower the driveway without having obtained locates in violation of RCW.19.122.30 (1), (2), (5). Roger stopped the work and the TT & E employee, Max, said he had contacted the owner, Benjamin Tanielian to confirm locates had been called for, however, www.managetickets.com show that no tickets had been called in for that address. Roger told him that TT&E would need to cease work until they had obtained locates. Roger then took pictures of the work and left. We have found TT & E excavating on this site several times without a ticket.
