RE: UG-210094 - Work Papers for NW Natural's 2021 Conservation Potential Assessment

Northwest Natural Gas Company, dba NW Natural ("NW Natural" or "Company"), encloses for filing the work papers associated with its 2021 Conservation Potential Assessment ("CPA"). On July 29, 2021 NW Natural filed the 2021 CPA. The purpose of this filing is to share the work papers that form the basis of the CPA. NW Natural contracted with Applied Energy Economics ("AEG") to perform the CPA and requests the AEG work papers be treated as confidential under the provisions of RCW 80.04.095 and per WAC 480-07-160(8) as they contain proprietary information specific to AEG. Tabs containing confidential information were removed in the redacted versions.

Sincerely,

/s/ Natasha Siores
