SUPPLEMENTAL SCHEDULE 138

VOLUNTARY RENEWABLE NATURAL GAS SERVICE – PURCHASE RIDER (Continued)

ENROLLMENT: Customers are required to complete the Company’s enrollment process to participate in this service. Customers are considered subscribed to this service as part of Gas Service. Initiation of service under this service will occur following processing of the enrollment request by the Company. The Company may remove Customers from the service or refuse to enroll Customers who have not paid the Renewable Natural Gas portion of their bill.	(K) (M)
The Company will attempt to transfer a Customer’s Renewable Natural Gas service and continue billing for Renewable Natural Gas blocks or therms when a Customer moves within the Company’s natural gas service territory. However, a Customer may discontinue service under this Schedule at any time in accordance with the “Termination by Customer” paragraph below.	
TERMINATION BY CUSTOMER: Customers are required to notify the Company prior to their desired termination date of this service. Termination of this service will follow receipt and processing of the termination request by the Company.	
SPECIAL CONDITIONS OF SERVICE: The Company may limit Customer participation in this service to balance Customer demand with the available Renewable Natural Gas to the Company. Natural gas Customers may receiving marketing information from all potential sources regarding this Gas Service.	(K)

VOLUNTARY RENEWABLE NATURAL GAS SERVICE – PURCHASE RIDER (Continued)**

COST RECOVERY: In addition to the revenue the Company receives through participating Customers, (M)
it will seek to recover the initial information technology start-up costs that are currently estimated to be |
\$1.5 million in its next general rate case. Participating Customer revenue will only be used to fund the |
ongoing costs of Renewable Natural Gas purchases, administration, marketing and overheads. |
Because it is a self-funded, pass-through service, the Company intends to recognize the revenues and |
ongoing expenditures of the service in deferred balance sheet accounts with no resulting impact on the |
income statement. PSE must make expenditures in order to establish this Gas Service for all natural |
gas Customers, which means that these start-up costs will be incurred prior to the generation of |
revenues from Customers electing to participate in this optional service. |
|
ADJUSTMENTS: Rates in this schedule are subject to adjustment by such other schedules in this tariff |
as may apply. |
|
GENERAL RULES AND REGULATIONS: Gas Service under this schedule is subject to the General |
Rules and Regulations contained in this tariff as they may be modified from time to time and other |
schedules of such tariff that may from time to time apply as they may be modified from time to time. (M)
