ERRATA TO ORDER 03

Re: *Washington Utilities and Transportation Commission v. Puget Sound Energy*
Docket UE-161123

TO ALL INTERESTED PARTIES:

On November 17, 2016, the Washington Utilities and Transportation Commission (Commission) entered Order 03, Protective Order with "Highly Confidential" Provisions (Order 03) in Docket UE-161123. In paragraphs 4 and 5(b)(ii) Order 03 explicitly extended confidentiality to documents filed prior to Order 03 by Puget Sound Energy. This clause should also include confidential documents filed by Microsoft Corporation prior to entry of Order 03. The corrected paragraphs should read as followed:

- 4 Parties must scrutinize potentially confidential material, and strictly limit what they designate "Confidential Information" to only information that truly might compromise their ability to compete fairly or that otherwise might impose a business risk if disseminated without the protections provided in this Order. The first page and individual pages of a document determined in good faith to include Confidential Information must be marked by a stamp that reads: "**Confidential Per Protective Order in WUTC Docket UE-161123**", except that materials in Puget Sound Energy's and Microsoft Corporation's pre-filed direct testimonies and exhibits designated as "**Confidential Per WAC 480-07-160**" shall also be subject to the protections and restrictions set forth in this Order for "Confidential Information".[...]
- 5 (b)(ii). Parties **MUST** identify each confidential digital file with a C in the file name and **MUST** have the legend "**CONFIDENTIAL PER PROTECTIVE ORDER IN WUTC DOCKET UE-161123**" (or, with respect to Puget Sound Energy's and Microsoft Corporation's pre-filed direct testimonies and exhibits "**Confidential Per WAC 480-07-160**") prominently displayed on the first page (*i.e.*, the page that appears on the computer screen when the file is opened).

Sincerely,
