

Washington
Docket No. UT-003022 and UT-003040
BCH INF-06-051

INTERVENOR: Washington Bench

REQUEST NO: 051

Referring to performance results for January through April 2002, once the April results are available, please provide an explanation for the performance results for PID MR-8 for UNE-P Centrex, DS-1 capable UBL, UBL>DS-1, UDIT>DS-1, Centrex resale, and DS-1 Resale, including any root cause or other studies performed by Qwest, the "no troubles found" issue, and any measures or actions Qwest has undertaken to address any problems it has uncovered.

RESPONSE:

The requested information is provided as Confidential Attachment A.
