Re: Notice pursuant to WAC 480-120-034(4) on Classification of MCImetro Access
Transmission Services LLC dba Verizon Access Transmission Services

Dear Mr. Danner:

Pursuant to WAC 480-120-034(4), MCImetro Access Transmission Services LLC dba Verizon Access Transmission Services ("MCImetro") advises that as of July 1, 2010, as a result of the closing of the Verizon/Frontier transaction on that date, MCImetro no longer meets the criteria to be a Class A carrier since its former affiliate, Verizon Northwest Inc., is now controlled by Frontier Communications Corporation and MCImetro does not serve at least 2% of the total access lines in the State of Washington.

If you have any questions, please contact me.

Sincerely,
