Re: *Washington Utilities and Transportation Commission v. Puget Sound Energy*,
Docket UE-141141

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04, Final Order Approving and Adopting Settlement Agreement (Order), in Docket UE-141141, on November 3, 2014. The Order, among other things, rejected the initial tariff proposals by Puget Sound Energy (PSE) but authorized the Commission Secretary to approve by letter, with copies to all parties, revised tariff sheets that comply with the requirements of the Order.

On November 20, 2014, PSE filed tariff sheets governing electric service. The purpose of the filing is to revise the Power Cost Adjustment Clause charges in Schedules 95 to reflect the decrease, as specified in the Order. The Commission has reviewed the tariff sheets and they do, in fact, comply with the terms of the Order.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of December 1, 2014.

STEVEN V. KING
Executive Director and Secretary
