Dear Mr. King:

CenturyTel of Washington, Inc., CenturyTel of Cowiche, Inc., and CenturyTel of Inter Island, Inc., d/b/a CenturyLink is forwarding for filing the sheets listed on Attachment A.

This filing will eliminate the Traditional USF rate element of \$0.00152 as ordered by the Washington Utilities Commission on May 23, 2014 in Order 10, Docket UT-971140. As part of this filing, references to the interim universal service rate element, which was reduced to zero in 2012 in compliance with the FCC's ICC/USF Transformation Order, will be eliminated along with Section 18. Section 18 is being eliminated at the request of the staff since rates contained in this section already exist in Section 16.

CenturyLink QC respectfully requests that these proposed rate changes become effective on August 1, 2014. If you have questions concerning this filing, please contact Mark Brinton – Regulatory Operations on (303) 992-5832.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton". The signature is written in a cursive style and is positioned above the printed name.
