**Re: Puget Sound Energy 2022 General Rate Case  
Dockets UE-220066/UG-220067/UG-210918**

Dear Ms. Maxwell:

Pursuant to the Settlement Stipulations and Agreements dated and filed on August 26, 2022, Puget Sound Energy (“PSE”) submits for filing certain exhibits updating the bill impacts for electric and gas customers.

The Settlement Stipulations and Agreements filed on August 26, 2022 provided estimated bill impacts. Recognizing the need for updated bill impacts, the parties executing the Settlement Stipulation and Agreement on Revenue Requirement and All Other Issues Except Tacoma LNG and Green Direct (“Settlement Stipulation”) agreed that PSE would submit this subsequent filing containing updated bill impacts. Specifically, Section A.23.u. of the Settlement Stipulation provides that PSE would make a subsequent filing by September 2, 2022, with updated bill impacts for electric and gas customers based on the revenue requirement and settlement terms filed on August 26, 2022.

Accordingly, PSE hereby submits for filing the Joint Testimony (Nonconfidential) of Birud D. Jhaveri and John D. Taylor, and supporting exhibits, as listed below. Mr. Jhaveri will be available to address any questions regarding electric bill impacts, and Mr. Taylor will be available to address any questions regarding gas bill impacts.
