Re: UG-210094 - NW Natural's 2022 Integrated Resource Plan (IRP) – Workpaper Replacement

On October 24, 2022, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed accompanying workpapers to its 2022 IRP. NW Natural inadvertently included an incorrect Excel spreadsheet in that filing. The Company hereby submits for replacement the following named file: 210094-NWN-IRP-WP-Workpapers_2022-IRP-Avoided-Costs-Final-IRP_Replace-11-08-2022.xlsx

There is no confidential data in the workpaper. The file that was sent on October 24, 2022, included Avoided Costs in 2019 dollars. The replacement file presents Avoided Costs in 2021 dollars, which is consistent with what was used in the IRP for analysis

Please address correspondence on this matter to me with copies to the following:
