PacifiCorp Response to AWEC DR 002 CONF, including attachments

March 28, 2024

AWEC Data Request 002

Please provide each version of, and/or revision to, PacifiCorp's Energy Risk Management Policy documents in effect from January 1, 2019 through May 31, 2023.

Response to AWEC Data Request 002

The Company objects to this request which requests information related to periods that are outside the scope of this calendar year 2022 power cost adjustment mechanism (PCAM). Data and information beyond calendar year 2022 is not reasonably calculated to lead to the discovery of admissible evidence in this proceeding. Notwithstanding the foregoing objection, the Company responds as follows:

Please refer to Confidential Attachment AWEC 002. Note: the current PacifiCorp Energy Risk Management Policy was approved April 17, 2023.

Confidential information is provided subject to a confidentiality agreement executed between PacifiCorp and the Alliance of Western Energy Consumers (AWEC)
