Re: CenturyLink's compliance with Condition No. 4 to the Joint Applicants' agreement with Commission Staff and Public Counsel, Docket UT-100820, Order 14, Appendix C – Revised Confidential Attachment 1

Dear Mr. Danner,

On August 23, 2012, pursuant to Condition No. 4 in the Docket UT-100820 merger settlement agreement between CenturyLink, Commission Staff and Public Counsel, adopted by the Commission in its Order 14 in the docket, CenturyLink filed with the Commission a report reflecting merger costs and synergy savings. Included in that filing was Highly Confidential Attachment 1 which provided information on estimated synergies and integration costs associated with the CenturyLink/Qwest merger.

The purpose of this filing is to provide a revised Highly Confidential Attachment 1 which reflects changes to the "Integration Costs" section of the schedule and provides new information on "Capital Synergies." There were no changes to the "Operating Expense Synergies" portion of the originally filed report. The information that changed from the original report is shown in italics on the attachment.

If you have any questions regarding this report, please don't hesitate to call me.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds". The signature is fluid and cursive.

Mark Reynolds
