CenturyLink Service Quality Report for January 2013

Dear Mr. Danner:

Attached is the CenturyTel d/b/a CenturyLink Service Quality Report for the month of January 2013 in confidential and redacted versions.

The trouble reports per 100 access lines objective was met for the month of January with the exception of Starbuck at 5.6. With only 89 access lines the exchange has low a volume of activity. However, three tickets were reported due to a central office equipment failure causing the unfavorable result.
