**NOTICE OF REVISED PROCEDURAL SCHEDULE
(Motions for Summary Determination now due Monday, February 9, 2009
Responses to Motions for Summary Determination now due March 11, 2009)**

RE: *Pac-West Telecomm, Inc. v. Qwest Corporation*, Docket UT-053036;
Level 3 Communications, LLC, v. Qwest Corporation, Docket UT-053039

TO ALL PARTIES:

On Wednesday, January 7, 2009, the parties to these consolidated proceedings, filed a letter requesting an extension of time to file motions for summary determination and responses to those motions. Order 10 in these proceedings, a prehearing conference order, requires the parties to file motions on Thursday, January 15, 2009, and responses on Wednesday, February 18, 2009. The parties jointly request the Washington Utilities and Transportation Commission (Commission) extend the deadline for filing motions to Monday, February 9, 2009, and the deadline for responses to Wednesday, March 11, 2009. The parties request the extension to allow additional time to prepare the pleadings due to timelines in related cases.

Under WAC 480-07-385(2), the Commission will grant a timely request to which all parties expressly agree unless it is inconsistent with the public interest or the Commission's administrative needs. The parties' joint request is timely and allowing the parties additional time to prepare pleadings is consistent with the public interest and the Commission's administrative needs in these consolidated cases.

NOTICE IS GIVEN That the parties' joint request to extend the deadline for filing motions for summary determination to Monday, February 9, 2009, and the deadline for responses to Wednesday, March 11, 2009, is granted.

Sincerely,

ANN E. RENDAHL
