- 1 Administrative Law Judge Adam E. Torem entered Initial Order 06 in this docket on May 23, 2008, accepting the parties’ partial settlement in this proceeding.
- 2 No party petitioned for administrative review of the initial order or received an extension of time to file such a petition, and the Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion, within the time for filing petitions for administrative review.
- 3 Therefore, under RCW 80.01.060(3), the Order became final on June 13, 2008, by operation of law.
- 4 As Order 06 does not resolve all of the issues in the proceeding, this notice of finality does not close the proceeding.
- 5 In allowing this order to become final, the Commission does not endorse the Order’s reasoning and conclusions. If cited in the future, the Order must be identified as an Administrative Law Judge’s order.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
