RECEIVED
JAN 23 2018
WASHINGTON UTILITIES & TRANSPORTATION COMM.

My name is Lawrence Dean and i am a resident
and voter in Washington State. I am concerned
about climate change & pollution from the
burning of fossil fuels. Please close all
Colstrip plants and replace them with 100%
renewable energy as soon as possible.
I am a rate payer and would be glad to
pay more for energy if it came from
renewable sources

Thank you Lawrence
