BEFORE THE
WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

WASHINGTON UTILITIES AND
TRANSPORTATION COMMISSION,

Complainant,

v.

PUGET SOUND ENERGY, INC.

Respondent.

DOCKET NO. UE-010525
(Advice No. 2001-11)

PETITION TO SUBSTITUTE REVISED
SCHEDULE 45

Puget Sound Energy, Inc. ("PSE") hereby requests that the Commission substitute the revised Schedule 45 (attached as Exhibit A to the Stipulation of Settlement, executed this day and filed with this Petition) for the version originally filed April 16, 2001, the effective date of which was subsequently revised to June 28, 2001. Ordering Paragraph 3 of the Commission's Complaint and Order Suspending Tariff Revisions, issued June 27, 2001, states that "PSE must not change or alter the tariff revisions filed in this docket during the suspension period, unless authorized by the Commission." This petition requests such Commission authority.

The proposed substitute Schedule 45 reflects revisions that PSE has agreed to as part of discussions with the customers currently served under PSE Schedule 48 who PSE intends to serve under Schedule 45, if approved: AT&T Wireless ("AT&T"), WorldCom, and Qwest (collectively "Customers"). PSE and the Customers fully support the proposed substitute "Stipulated Schedule 45" as detailed in their Stipulation of Settlement being filed with this Petition for the Commission's review and approval. As detailed in the Stipulation, the Parties respectfully request Commission action on these matters by October 1, 2001.
