Dear Ms. Washburn:

In accordance with WAC 480-100-275, enclosed for filing are an original and one (1) copy of PacifiCorp's Results of Operations and Average Customer Count and KWH data for its Washington jurisdiction for the quarter ending September 30, 2006.

Also included are an original and one (1) copy of PacifiCorp's Semi-Annual Environmental Remediation Report submitted in compliance with Docket No. UE-031658, Order No. 01. The report includes environmental remediation expenditures for non-major and major projects pursuant with the order.

The Washington jurisdiction quarterly results of operations are based on unadjusted data and do not reflect normalized results of operations or other standard ratemaking adjustments. The quarterly results of operations were determined using the Revised Protocol allocation method.
