Subject: Request for Negotiations - Verizon/SNiP LiNK LLC

Steven,

Please confirm receipt of the attached draft agreement via return email.

Verizon has received SNiP LiNK LLC's request for negotiations for the states of New Jersey, Delaware, Pennsylvania (VZE) and Maryland. The start date for this negotiation is October 3, 2003, the date we received your request.

Pursuant to your request, I have attached for your review a draft for the purpose of initiating negotiations between SNiP LiNK and Verizon. In addition, I have attached the Verizon State Specific Guide. This guide should be used in conjunction with the draft document. The draft document and guide are subject to change throughout the negotiation process.

Please note that the attached document has not been updated to reflect the Report and Order and Order on Remand and Further Notice of Proposed Rulemaking released by the Federal Communications Commission (FCC 03-36) on August 21, 2003 and published in the Federal Register on September 2, 2003, in CC Docket Nos. 01-338, 96-98, 98-147 ("Triennial Review"), which Verizon is in the process of reviewing. Verizon reserves the right to make any and all revisions to the attached document based on its review of the Triennial Review, as well as any further orders or related decisions on appeal. Accordingly, the attached document is not an executable agreement but rather is subject to possible revision by Verizon.

On April 18, 2001, the Federal Communications Commission ("FCC") adopted an order addressing the charges that carriers may bill to and collect from each other in connection with their exchange of dial-up Internet traffic. See, Order on Remand and Report and Order, CC Docket Nos. 96-98, 99-68 (adopted April 18, 2001) (the "Order"). Pursuant to the terms of the Order, Verizon offers to all CLECs and CMRS providers an optional reciprocal compensation rate plan for termination of non-Internet traffic subject to Section 251(b)(5). Under this optional plan, such traffic exchanged between Verizon and a CLEC or CMRS provider in a given state will be subject to compensation at the same rate applicable to Internet traffic in that state under the terms of the Order. The pricing, terms and conditions applicable to this optional rate plan are available from either Renée Ragsdale or your designated Verizon Negotiator.

In addition, please complete the attached Information Request Form for each state where you have requested negotiations and return them to me.

At your convenience, please contact Renée Ragsdale either by telephone at (972) 718-6889 or email at renee.ragsdale@verizon.com with any questions you may have regarding this agreement.

The Verizon Support Website will provide you with additional information. The URL address is <http://www.verizon.com/wholesale>.
