**NOTICE OF CONTINUANCE OF PREHEARING CONFERENCE
(To Friday, June 23, 2006 at 9:30 a.m.)**

RE: *WUTC v. Gold Beach Water*
Docket UW-060352

TO ALL PARTIES:

On June 8, 2006, the parties requested a continuance of the prehearing conference, now scheduled for June 9, 2006. The parties stated that the company had filed revised tariff sheets with the Commission, seeking approval of the revisions at the Commission's June 14, 2006 Open Meeting. If the Commission approves the revisions, the need for a hearing would be eliminated.

Based on the parties' request and the possibility that the revised tariff filing will eliminate the need for a hearing, it is reasonable to grant a continuance of the prehearing conference.

Notice is given that the prehearing conference in this matter is continued until Friday, June 23, 2006 at 9:30 a.m.

Sincerely,

THEODORA M. MACE
