RE: Docket TG-081725

Dear Judge Torem,

I spoke with one of my witnesses and he informed me that he will not be available for the scheduled Evidentiary Hearing on February 18-19, 2009. He informed me that he has anxiety issues when it comes to a public speaking environment. He has written a letter on our behalf and I would like to submit the letter in lieu of his presence at our hearing or as an acceptable hearing document. Also have we set a time with a call in number for the exchanging of information?

Respectfully,

Dave Alvarado
