Subject: Letter of Support TS-090424

To David Danner et al.,

This letter is written on behalf of Clipper Vacations – Victoria Clipper and affiliated subsidiaries. In regards to TS-090424.

My name is Brian Goodremont, Owner and Operator of San Juan Outfitters. We operate kayak and whale watch tours from Friday Harbor and Roche Harbor, Washington State.

I have worked with Victoria Clipper for 12 years, as a business manager and now an owner. Victoria Clipper books their day trip and overnight guests primarily on our kayak tours, and we appreciate their support of our local business.

This letter is to support their request for a temporary discontinuance of service. Their San Juan Express service from Seattle to Friday Harbor has a positive impact on my business, as well as other businesses within the community. We will miss this service this summer, and would like to see Clipper Navigation continue this service in the Spring of 2010 without complications.

If you have any questions on how this service impacts my business, please do not hesitate to contact me.

Sincerely,

Brian Goodremont
Owner – San Juan Outfitters
