Re: Docket No.: TG-091026 / Northwest Liquid Transport I, Inc.

To Whom It May Concern:

This letter is written on behalf of my client, Northwest Liquid Transport I, Inc., regarding their application for a permit. My client would like to amend their request for authority from what was originally contained in the application and in our letter dated September 10, 2009. The new language will read as follows:

“Solid waste collection services under contract with Nature’s Path Food USA, Inc., located in Blaine, Washington, to collect and transport for disposal a mixture of sugar water and solids using an internal or external vacuum system to load and transport by tanker truck in Whatcom County.”

My client is willing to amend their request for authority in an effort to facilitate a withdrawal of the protests filed by Sanitary Service Company, Inc. and Blaine-Bay Refuse, Inc.

Please contact my office with any questions you may have on this matter. Thank you for your assistance.

Sincerely,

Lesla Starkenburg-Kroontje
