Pursuant to WAC 480-07-355, Integra Telecom of Washington, Inc. (“Integra”), Electric Lightwave, LLC (“ELI”) and Advanced Telcom, Inc. (“ATI”) (collectively the “Integra Intervenors”) hereby petition the Commission for leave to intervene in the above-entitled docket. As grounds for intervention, the Integra Intervenors state as follows:

The name, address, and telephone number of the persons to whom communications should be addressed is:

The Integra Intervenors are registered and competitively classified telecommunications companies authorized to provide both intraexchange and interexchange telecommunications services throughout Washington. The Integra Intervenors currently compete with CenturyLink, McLeod Telecommunications Services, L.L.C. and Paetec Communications among other providers in the State of Washington.

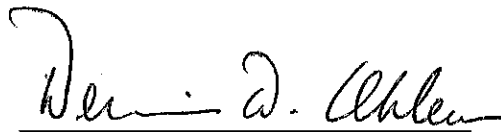

The Integra Intervenors have a substantial interest in the subject matter of this Complaint because they appear to have been subject to the same or similar practices by McLeod as those alleged by the Complainants. Integra seeks to participate in this proceeding to ensure that their rights are preserved and grievances addressed in a manner consistent with the Complainants.

The evidence, if any, and briefing presented by the Integra Intervenors will be of material value to the Commission in its determination of the issues involved in this proceeding, and Integra's intervention will not broaden those issues or delay the proceedings.

WHEREFORE, Integra Telecom of Washington, Inc., Electric Lightwave, LLC and Advanced Telcom, Inc. pray for leave to intervene as a party to this proceeding, with a right to discovery, to have notice of and appear at the taking of testimony, to produce and cross-examine witnesses, and to be heard in person or by counsel on brief and at oral argument.

RESPECTFULLY SUBMITTED
