Mr. Wilder, thank you for the additional information. I believe that you noted the wrong rule that you are seeking an exemption. WAC 480-07(110) that you noted in your email is about the process to request an exemption from a rule. WAC 480-30-191(1)(a) ([link here](#)) is the rule that requires charter carriers to have insurance that must be written by an insurance company authorized to write insurance in the state of Washington. Please verify that you are requesting an exemption from WAC 480-30-191(1)(a). Sincerely,
Suzanne

Mr. Gustafson, I am getting back to you about your request for an exemption of the Washington Administrative Codes (WACs) to allow Prime Insurance Company to provide surplus lines insurance to Triangle Charter Services LLC (Triangle). The request for an exemption of the WACs must be submitted by the regulated carrier, Triangle. Further, the Triangle must provide more detail about the request as required in WAC 480-07(110).

I have provided a link to the administrative rule, WAC 480-07(110), to follow [here](#). In addition, I have provided a [link](#) to the rule that requires charter carriers to have insurance that must be written by an insurance company authorized to write insurance in the state of Washington. Please submit your request for an exemption of the rules referencing docket TE-151866 so that the commission may consider your request.

If you have further questions or comments, I can be reached by replying to this email or at the number shown below. Sincerely, Suzanne Stillwell
