ERRATUM TO PENALTY ASSESSMENT

RE: *Washington Utilities and Transportation Commission v. Waste Control, Inc.*
Docket TG-170724

TO ALL PARTIES:

On July 10, 2017, the Washington Utilities and Transportation Commission (Commission) assessed a \$100 penalty (Penalty Assessment) against Waste Control, Inc. (Waste Control or Company) in Docket TG-170724. On October 9, 2017, Waste Control wrote to the Commission contesting the Commission's finding in the Penalty Assessment that the Company does not have a formal compliance program.

On October 18, 2017, Commission staff contacted the Executive Director and Secretary of the Commission and acknowledged that Waste Control has a formal compliance program in place. This erratum corrects numbered paragraph 10 of the Penalty Assessment to read as follows:

10. The company's existing compliance program. Waste Control has a formal compliance program.

Sincerely,

STEVEN V. KING
Executive Director and Secretary
