Dear Judge Kopta:

Northwest Fiber, LLC dba Ziplly Fiber (Ziplly Fiber”) and Kalama Telephone Company (“Kalama”) hereby submit this joint status report to the assigned ALJ in accordance with the discussion at the Prehearing Conference held October 13, 2021 and the Notice of Continuance issued on October 15, 2020. The parties to the subject docket have settled their differences and have agreed to adjust their exchange boundaries to reflect that agreement. Both parties’ engineering staffs are creating new maps to be filed with the companies’ respective tariffs. The parties intend, as soon as those tariff filings are complete, that Ziplly Fiber will withdraw its formal complaint and request that the Commission dismiss said formal complaint. In order to accomplish these tasks, the parties respectfully request an additional sixty (60) days continuance in the procedural schedule. Counsel for Kalama has read and approved this status report.

Respectfully Submitted,

George Baker Thomson, Jr.
