RE: Supplemental Support for Updated GL – Please do not re-docket TG-210038

Dear Mr. Johnson:

Please see attached for testimony written by Dr. Cleve Tyler for a solid waste rate case proceeding Waste Connections is currently involved in with the Regulatory Commission of Alaska. Dr. Tyler's testimony discusses in length the how the updated LG and "BRG Model Sic 1" Waste Connections proposed in the Alaska proceeding, and in TG-210038, is the same model proposed in the Commission's TG-131255 Policy Statement.

If you have any questions regarding this matter, please contact me at (360) 695-4923, or Heather.Garland@WasteConnections.com.

Sincerely,

Heather Garland
Pricing Manager
