**Re: Closeout Report of Puget Sound Energy's Kitsap Non-Wires Alternatives RFP
Docket UE-240085**

Dear Director Killip,

Enclosed for filing please find the Closeout Report of Puget Sound Energy (PSE) for the Kitsap Non-Wires Alternatives (NWA) Request for Proposals (RFP). The Closeout Report summarizes responses to the Kitsap NWA RFP and is being filed in Docket UE-240085 within 90 days of the conclusion of the RFP process, as required by Washington Administrative Code 480-107-145(2).¹ In addition, PSE will post the Closeout Report on its public RFP webpage.²

Under the provisions of WAC 480-07-160, PSE requests applicable bid pricing in this filing be designated as confidential, due to the number of bids by technology type. In accordance with WAC 480-07-160(5), PSE has clearly designated and marked confidential information. PSE is therefore enclosing both confidential and redacted versions of the Closeout Report.

If you have questions about this filing or the Kitsap NWA RFP, please contact Stephen Collins, Regulatory Affairs Initiatives Manager, at Stephen.Collins@pse.com. If you have any other questions, please contact me at Wendy.Gerlitz@pse.com.

Sincerely,

/s/ Wendy Gerlitz
