COMMISSION

Dear Secretary Maxwell:

On May 20, 2021, the Washington Utilities and Transportation Commission (the “Commission”) designated Cable One VoIP LLC d/b/a Sparklight (the “Company”) as an eligible telecommunications carrier (“ETC”) for purposes of the Federal Communications Commission (“FCC”) Rural Digital Opportunity Fund (“RDOF”) auction (Auction 904). The Company has informed the FCC that it no longer seeks RDOF funding for Washington. Accordingly, the Company submits this request to relinquish its ETC designation in the state of Washington effective immediately. Under separate cover, the Company also will be filing to cancel its Registration as a Competitive Telecommunications Company.

If you have any questions regarding this filing, please contact the Company’s counsel, Chérie R. Kiser (ckiser@cahill.com, 202-862-8950) or Angela F. Collins (acollins@cahill.com, 202-862-8930).

Respectfully submitted,

/s/ Patrick N. Caron
