Re: *Washington Utilities and Transportation Commission v. Puget Sound Energy*,
Docket UE-141141

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04, Final Order Approving and Adopting Settlement Agreement (Order), in Docket UE-141141, on November 3, 2014. The Order, among other things, rejected the initial tariff proposals by Puget Sound Energy (PSE) but authorized the Commission Secretary to accept by letter, with copies to all parties, a filing that complies with the requirements of the Order. On November 26, 2014, the Commission issued a letter indicating that the Company had complied with the Order.

On December 8, 2014, PSE refiled the power cost adjustment (PCA) exhibits included in the compliance filing. Included in these exhibits was a change to correct a classification error of Colstrip major maintenance amortization consistent with the Order paragraph 8, page 3, footnote 9.

The Commission has reviewed the exhibits and they do, in fact, comply with the terms of the Order.

Therefore, the exhibits indicated on the attachment to this letter are effective, as filed, with an effective date of December 1, 2014.

STEVEN V. KING
Executive Director and Secretary
