2 The administrative rules at issue are WAC § 480-07-340, -355.

3 Boise manufactures and distributes paper products in the United States, including
sheet papers, containerboard and corrugated containers, newsprint grades, and market pulp.
Boise is Pacific Power & Light's ("PacifiCorp" or the "Company") largest customer in
Washington, purchasing both power and power delivery services at its mill in Wallula,
Washington. Boise is a member of the Industrial Customers of Northwest Utilities ("ICNU"),^{1/}
which has been a party to many proceedings before the Commission involving PacifiCorp.
Boise was a party to PacifiCorp's most recent general rate case (UE-130043).

4 Boise has a substantial interest in PacifiCorp's proposed rate increase. PacifiCorp
is proposing a \$32.1 million rate increase, which is an average increase of 10.0%, and 11.1% for
Boise. This increase is accomplished through a combination of a \$27.2 million increase to
general rates and a proposal to collect \$4.9 million in deferred costs. The proposed rate change
would substantially and directly affect Boise. Boise requests leave to intervene in this Docket to
represent its interests which are directly affected by PacifiCorp's proposed rate increase.

5 Boise's legal counsel and experts have extensive experience in proceedings before
the Commission involving PacifiCorp's rates. Boise, both itself and as a member of ICNU,

^{1/} ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest.

participated in PacifiCorp's most recent general rate cases, including UE-991832, UE-032065, UE-050684, UE-060669, UE-061546, UE-080220, UE-090205, UE-100749, UE 111190, and UE-130043. Boise's intervention in this proceeding will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

6 As described above, Boise has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. It is in the public interest to allow Boise to intervene in this proceeding.

7 WHEREFORE, Boise respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 29th day of May, 2014.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
